FORWARD PLATE LF 75 LAT | 420mm | Honda

Art nr: 967 85 49-05

PRODUCT DESCRIPTION

LF 75 LAT is a fast-operating forward plate compactor, designed for efficient compaction of asphalt and soil. Ideal for repair jobs and maintenance work, such as driveways and parking lots. The large water tank features an oversized cap to enable less frequent and fast refills. It is easy to clean, leaves no marks on the pavement and uses whatever water is available on-site.

Feature overview (6)

- ✓ Hours of efficient work
- ✓ Easy handling, excellent results
- ✓ More work with less water
- ✓ Easy to transport
- ✓ Saving storage space
- ✓ Optimized for asphalt

HOURS OF EFFICIENT WORK

EASY HANDLING, EXCELLENT RESULTS

The efficient, patented low-vibration handle lowers the vibration levels below 2 m/s^2 , allowing you to work for hours without becoming fatigued or exceeding any regulatory threshold limit values.

The watering system, that prevents the bottom plate from sticking to the hot asphalt, uses only a minimum of water thanks to the easily adjustable water flow.
