

CONCRETE VIBRATORS

HUSQVARNA AME 1600

Art.no: 967 93 36 01

AME 1600 is a portable electric drive unit for the modular flex-shaft concrete vibrators in the AT series. The instant speed and power from the drive unit delivers rapid acceleration, while the high-quality components and oil lubrication ensure long life and keep life cycle costs low.

FEATURES

Long service life

Oil lubrication, dust foam filter and over-load protection increase the service life and helps reduce lifecycle costs.

Easy to service

The service-friendly design includes easy-to-access carbon brushes with automatic cut-off to protect the motor.

Modular design

The 3-step modular design offers high versatility with several combinations of Superflex hoses and AT-heads depending on the current job requirements.

Ergonomic design

The handle is designed to reduced vibrations in your hands and arms.

TECHNICAL DATA HUSQVARNA AME 1600

Art.no: 967 93 36 01

HUSQVARNA AME 1600

PRODUCT DATA

Vibrations per Minute	12,000
Frequency	50/60 Hz

DIMENSIONS

Weight (complete product w/o side packed articles)	6.1 kg
Packaging length	457 mm
Packaging width	194 mm
Packaging height	264 mm
Article gross weight	6,500 g

VIBRATION

Vibration Value	2.84 m/s ²
