

Finger grapples

Powered work tool 6-26 tonnes

Heavy duty universal grapple

The Steelwrist finger grapple is a heavy duty universal grapple for stumps, debris, scrap and shrubbery. Similarly to all other Steelwrist grapples it has a high clamping force, load holding valves and accumulator for the highest safety level. With a wide opening it's the perfect work tool for operators who want to broaden their scope of work. The by-passing jaws close fully so that also thin objects can be handled with ease.

Hardox 500 in all wear plates as well as jaws with hard facing 600 Hb welding for longer lifetime. Obviously it also has expander plates and self lubricating bearings. The bracket has a 5° angle that levels the grapple with the tiltrotator rotation plane. Naturally it works great with our SQ-technology.

Available second half of 2025.

Technical specification

Finger grapples	FGX6	FGX8	FGX14	FGX20	FGX26		
Bracket	S40, SQ40	S45, SQ45, S50, SQ50	S45, SQ45, S50, SQ50, S60, SQ60	S60, SQ60	S70, SQ70		
Machine weight [ton]	4-7	6-8	6-14	12-20	18-26		
Max Breakout torque [kNm]	50	70	80	180	240		
Weight from [kg]	260	280	400	655	835		
Width [mm]	624	624	687	791	854		
Length [mm]	854	854	959	1084	1189		
Height [mm]	450	450	508	568	615		
Height, max open [mm]	624	524	690	813	824		
Height, tip against tip [mm]	752	751	839	960	1012		
Gripper reach [mm]	1451	1451	1632	1830	2026		
Gripper reach, smallest object [mm]	104	104	107	119	149		
Gripper force, tip against tip [kN]	9,8	9,8	17,5	19,8	25,3		
Lifting capacity [ton]	3000	3000	6000	8000	10000		
Oil Flow [l/min]	26	26	46	66	90		
Max pressure [bar]	250	250	250	250	250		

Available second half of 2025.
