**PRODUCT DESCRIPTION**

LF 60 LAT is a lightweight, fast-operating forward plate compactor, designed for efficient compaction of asphalt and soil. It is ideal for repair jobs and maintenance work such as driveways and parking lots. The large water tank features an oversized cap to enable less frequent and faster refills. The machine is easy to clean, leaves no marks on the pavement and uses whatever water is available on-site.

Feature overview (6)

- ✓ Hours of efficient work
- ✓ Easy handling, excellent results
- ✓ More work with less water
- ✓ Easy to transport
- ✓ Optimized for asphalt
- ✓ Saving storage space

HOURS OF EFFICIENT WORK

The efficient, patented low-vibration handle lowers the vibration levels below 2 m/s², allowing you to work for hours without becoming fatigued or exceeding any regulatory threshold limit values.

**EASY HANDLING, EXCELLENT RESULTS**

The watering system, that prevents the bottom plate from sticking to the hot asphalt, uses only a minimum of water thanks to the easily adjustable water flow.

**MORE WORK WITH LESS WATER**

The large corrosion-free water tank and smart water distribution system enable you to work longer with less stops for re-filling.
